

2Collaborate is a progressive and solution driven organisation with a distinguished track record of delivering the following services to private companies, public bodies and not for profit organisations:

- **ALTERNATIVE DISPUTE RESOLUTION**
- **FACILITATION**
- **COACHING SERVICES**

With an expert team, our extensive experience, our depth of knowledge; and many years perfecting our skills it is no surprise that we are widely regarded as Ireland's foremost provider of **mediation, investigation, facilitation and coaching services**.

The goal of 2Collaborate is to make the most of an organisation's valuable resources. We understand how to deal with challenging issues. We apply our **problem solving skills** to resolve difficulties between parties across a range of environments. We focus on the future and the **rebuilding of relationships** and cut the emotional and financial cost of workplace disputes.

**2Collaborate facilitate change and innovation.** We know how to challenge and support individuals and groups and this has been proven in the results that we have consistently achieved since our initial establishment as Halley and Associates in 1994.

2Collaborate offer group and individual development experiences to a very diverse population. Some of the core services that we offer are as follows:

- **Alternative Dispute Resolution**
- **Mediation**
- **Employment Investigations & Appeals**
- **Coaching & Mentoring Programmes**
- **Facilitated Consultation**
- **Personal Development**
- **Career Advancement**
- **Change Management**
- **Organisational Development & Training**
- **Advocacy Services**
- **Redundancy & Retirement Planning**
