

Trust = Competence

Leadership = Partnership

Consultation = Engagement

2Collaborate is committed to the elimination of discrimination, injustice and unfair treatment, be it direct or indirect, and will actively work with clients to ensure the equality of treatment and natural justice for all, irrespective of age, gender, marital status, race, ethnic origin, nationality, disability, sexuality or religion.

2Collaborate believe that in today's challenging environment there are substantial benefits and cost savings to be made within both the public and private service by building trust, improving relationships and creating meaningful partnerships. Ultimately the prevention of conflict is the most effective way of maintaining strong relationships in the workplace.

When any conflict or any signs of discord first occurs, a speedy resolution should be sought. Facilitation and collaboration can transform relationships. It can build more effective, productive and harmonious teams and workplaces.
