

2Collaborate continues to expand its portfolio of high profile clients and the list of organisations availing of our services is expanding rapidly. We are particularly well known in the public service across a range of Government Departments and State Agencies. We have carried out extensive work with a range of companies within the private sector and have been awarded wide-ranging contracts across a broad spectrum of organisations within educational, healthcare and community settings.

2Collaborate has vast experience of working with senior management teams and networks, individual Managers, Principal and Assistant Principal Officers, Secretary and Assistant Secretary Generals, Directors and Chief Executive Officers.

References from any of our clients can be provided upon request.
